

The **Atlantic White Shark Conservancy** is seeking sponsors for our 2024 Great White Gala on July 18th at the beautiful Wychmere Beach Club in Harwich Port.

The Great White Gala is the Conservancy's largest fundraiser of the year. Funds raised through ticket sales, sponsorships, and our auction are used to advance the study of white sharks, expand educational exhibits at our Shark Centers and, through our outreach programs, improve public safety and inspire shark conservation.

With your support we can make the 2024 Great White Gala our best fundraiser yet!
